

The Niehaus Award recognizes outstanding workmanship and innovation by CS students in their Senior Design (EECS 582) course. Students in 582 choose the winner. The winning team receives a \$1,000 award, which is divided equally between the team members.

The ranking will also be used to determine 5% of your grade (Class Peer Evaluation) for 581 as explained on the first day (see 8/21 lecture, slide 25)

Please rank the teams from 1 to 14 with 1 being the highest.

**Do not rank your own team.**

The ballot must be submitted by 11:59 PM, on Monday, November 13. If you do not submit a ballot, you will get a 0 for the Class Peer Evaluation grade.
